

PAUL F. FICHERA

Paul Fichera is a Financial Services professional with significant experience in Product Development, Sales Support and Client Services. Since 1977, Mr. Fichera has served in a variety of progressive management and product roles while working at Bradford Trust Company ('77-'85), Putnam Investments ('85-'97); and MFS Investment Management ('97 - '07).

Mr. Fichera has a strong product background, especially in the retirement (i.e. 401k; IRA; etc) space. His background has been complemented by experience in leading key distribution & marketing support areas - e.g. inside sales desks; marketing & communications; 401(k) client services; RFP; investment product management; and others.

Mr. Fichera received his undergraduate degree in Economics from Wesleyan University in 1977. In 1985, he received his Master's degree in Business Administration from Babson College. He holds the following licenses: NASD Series 26; 51; and 63.
