

Retirement Income Industry Association (RIIA) Makes Presentations from Managing Retirement Income Summit Available Via Website

Boston, MA (March 7, 2007) The Retirement Income Industry Association (RIIA) is making a number of presentations from its 3rd Annual Managing Retirement Income Conference available via its website at www.riia-usa.org.

According to Francois Gadenne, RIIA's Founding Chairman and CEO of Retirement Engineering, Inc., this year's conference proved to be a highly successful gathering that brought together top retirement income industry executives, leading academics and nearly three-hundred attendees.

"RIIA's thought leadership was evident throughout the conference as key strategic issues were raised in areas including product development, distribution challenges for present and future solutions, legal and compliance constraints, leading-edge research and innovative communications strategies," he explains.

Presentations available online include:

- **Opening, Closing Remarks**, Francois Gadenne, Founding Chairman of RIIA and CEO of Retirement Engineering, Inc.
- **Co-Chair's Welcome & Remarks**, David A. Macchia, President & CEO, Wealth2k, Inc.
