

Ron Mastrogiovanni, President of HealthView Services, possesses over 25 years of leadership experience in management consulting, financial services, and the computer industry. During his career, Mr. Mastrogiovanni has held general management positions, as well as senior sales and marketing positions, in several high technology firms. He is also the former president of The Parker Company, a management consulting firm specializing in high technology startups.

Most recently, Mr. Mastrogiovanni co-founded FundQuest, a provider of wealth management solutions for financial institutions, including banks and insurance companies. Mr. Mastrogiovanni's expertise, strategic planning, and aggressive new-product introduction cycles led FundQuest to become known as one of the most comprehensive fee-based money management solutions in the industry, and he guided FundQuest through a period of dramatic growth and continued market share gains. Mr. Mastrogiovanni oversaw the ongoing development of the company, which resulted in the accumulation of over \$12 billion in assets under management from approximately 80 institutional clients. The company was recently sold to BNP Paribas, a global leader in banking and financial services.

Mr. Mastrogiovanni is a graduate of Boston State College (now the University of Massachusetts) and earned his MBA from Babson College. He is currently Chairman of the Board and Chairman of the Investment Committee for Bennington Asset Management, a Registered Investment Advisory firm out of Pittsburgh.
